Student Survival kit for living in Sydney

Consumer Protection

Australia has a strong consumer protection framework to protect the rights of Australian consumers. While you are in Australia you are covered by this Law and you should be aware of your rights as a consumer!

Overseas Students Ombudsman

The Ombudsman's services are free, independent and impartial. They investigate complaints about problems that overseas students have.

Working rights

Everyone working in Australia has basic rights which include a minimum wage and superannuation. Visit the Australian Government's Fair Work Ombudsman's website for information.

Bush Safety

Before you go exploring make sure someone knows where you are going and try to go with others, preferably a guide who is familiar with the area.

Sun Safety

The Australian sun is intense. Always make sure your skin is protected.

Beach Safety

Always swim in between the red and yellow flags, not outside them.
