

Academic Lecturers (Casual/ Part-time)

The Sydney City School of Business offers a range of undergraduate and postgraduate programs. The School currently has employment opportunities for established academics to teach on a casual or part-time basis. This is a great opportunity for you to help nurture the next generation of business practitioners!

Expressions of Interest are now open to qualified and professionally experienced academics to lecture or tutor. Classes are offered as day and evening. You will have access to working flexibility and learning and development support.

The School is currently inviting Expressions of Interest in the following subject areas:

- Accounting Information Systems
- Audit
- Financial Mathematics
- Financial Accounting
- Managerial Accounting
- Taxation Law
- Marketing
- Public Relations

Key responsibilities:

- Prepare and deliver lectures in the postgraduate program as assigned. Course resources and learning and teaching support are available
- Moderate and update learning materials, assessments, exams and solutions areas with appropriate advice and support of senior staff
- Mark internal assessments and exams
- Consultation with students (domestic and international)

Selection Criteria:

1. Qualifications

To lecture, applicants must either hold a doctorate, or a Master degree with substantial industry experience in the relevant field.

2. Recent Experience

Applicants must demonstrate the following experience in the past five years:

Essential:

- Industry experience relevant to the teaching area, including board membership, consultation
- Current professional qualifications such as CPA, CA, ACCA etc.
- Leadership roles in professional societies or associations, or conference organisations
- Presentations and workshops for business and management professionals
- Ability to work independently and collaboratively with others

- Demonstrated strong interpersonal skills and the ability to communicate effectively with students

Desirable:

- Publications, either as an academic or practitioner
- Senior or executive level academic leadership positions
- Funding from competitive research grants
- Teaching experience at University level

Preference will be given to applicants who are more academically qualified, demonstrate higher levels of recent experience, and have teaching experience, preferably at University level.
